TC SERIES

TC 23S

- FFP Reticle Groups
- Laser Rangefinder
- 8 Types And 5 Colors Reticle

A hunter in a snowy forest, wearing a dark cap and a brown jacket, is aiming a rifle with a scope. The background shows a dense forest of tall trees with snow on the ground and branches. The text 'TR SERIES' is overlaid in large, bold letters, with 'TR' in blue and 'SERIES' in white. A blue horizontal bar is positioned above the 'TR' text.

- CMOS 2014*1196
- Digital Zoom 8X

3. Play scenes

Thermal imaging makes a lot of sense for outdoor hunting, especially in snow.

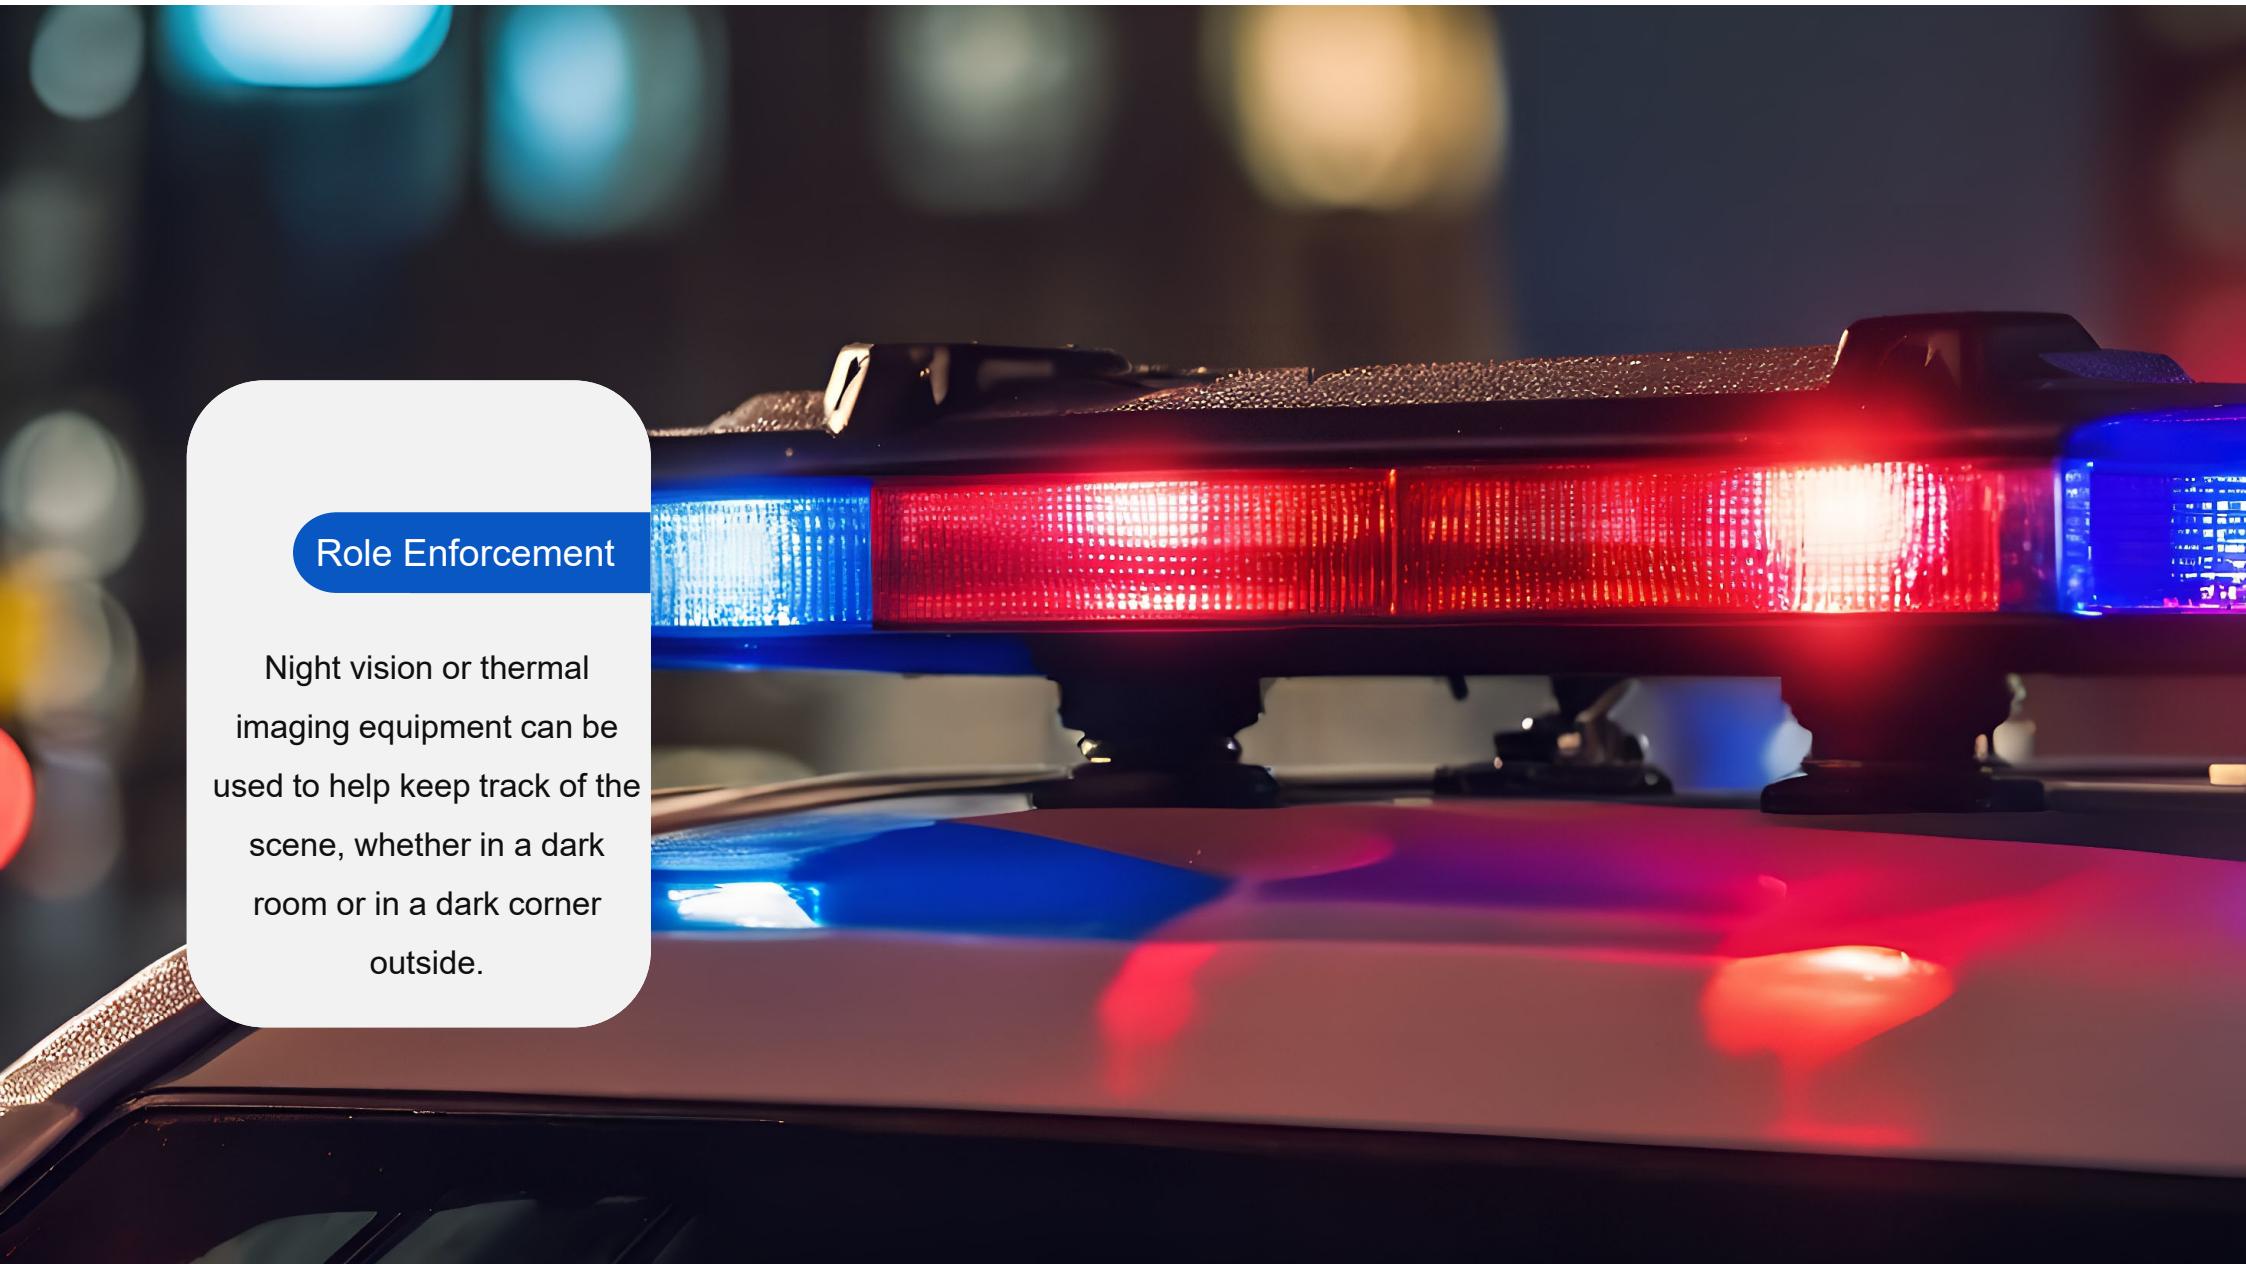

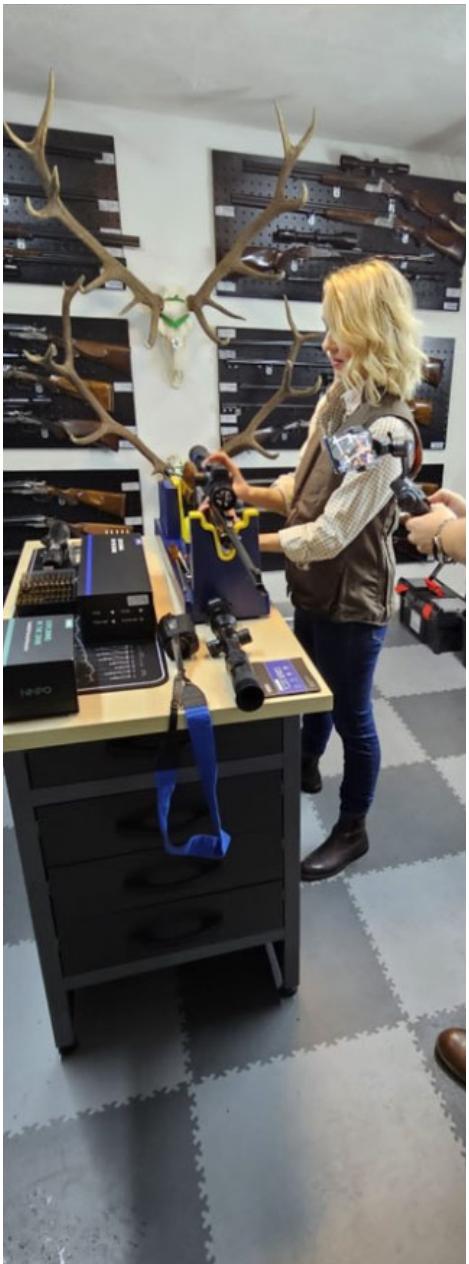

Search & Rescue

Night Vision Wins 48
Hours at Smoggy
Rescue Scene

Role Enforcement

Night vision or thermal imaging equipment can be used to help keep track of the scene, whether in a dark room or in a dark corner outside.

4. investment policy

Distribution Cooperation

Distributor's rights and interests:

- (1) Distributor's price;
- (2) Ultra-low sample discount;
- (3) Brand authorization;
- (4) 36-month warranty;
- (5) Sales rebate;
- (6) Market promotion material support;
- (7) Market promotion fund.

OEM

- 1) If you used to be familiar with the field of sight and now want to quickly open up the market in the field of night vision, then choose us;
- 2) If you want to have a rich product category with a very short development cycle, choose us;
- 3) If you would like to have your own full category platform, you can also choose us.

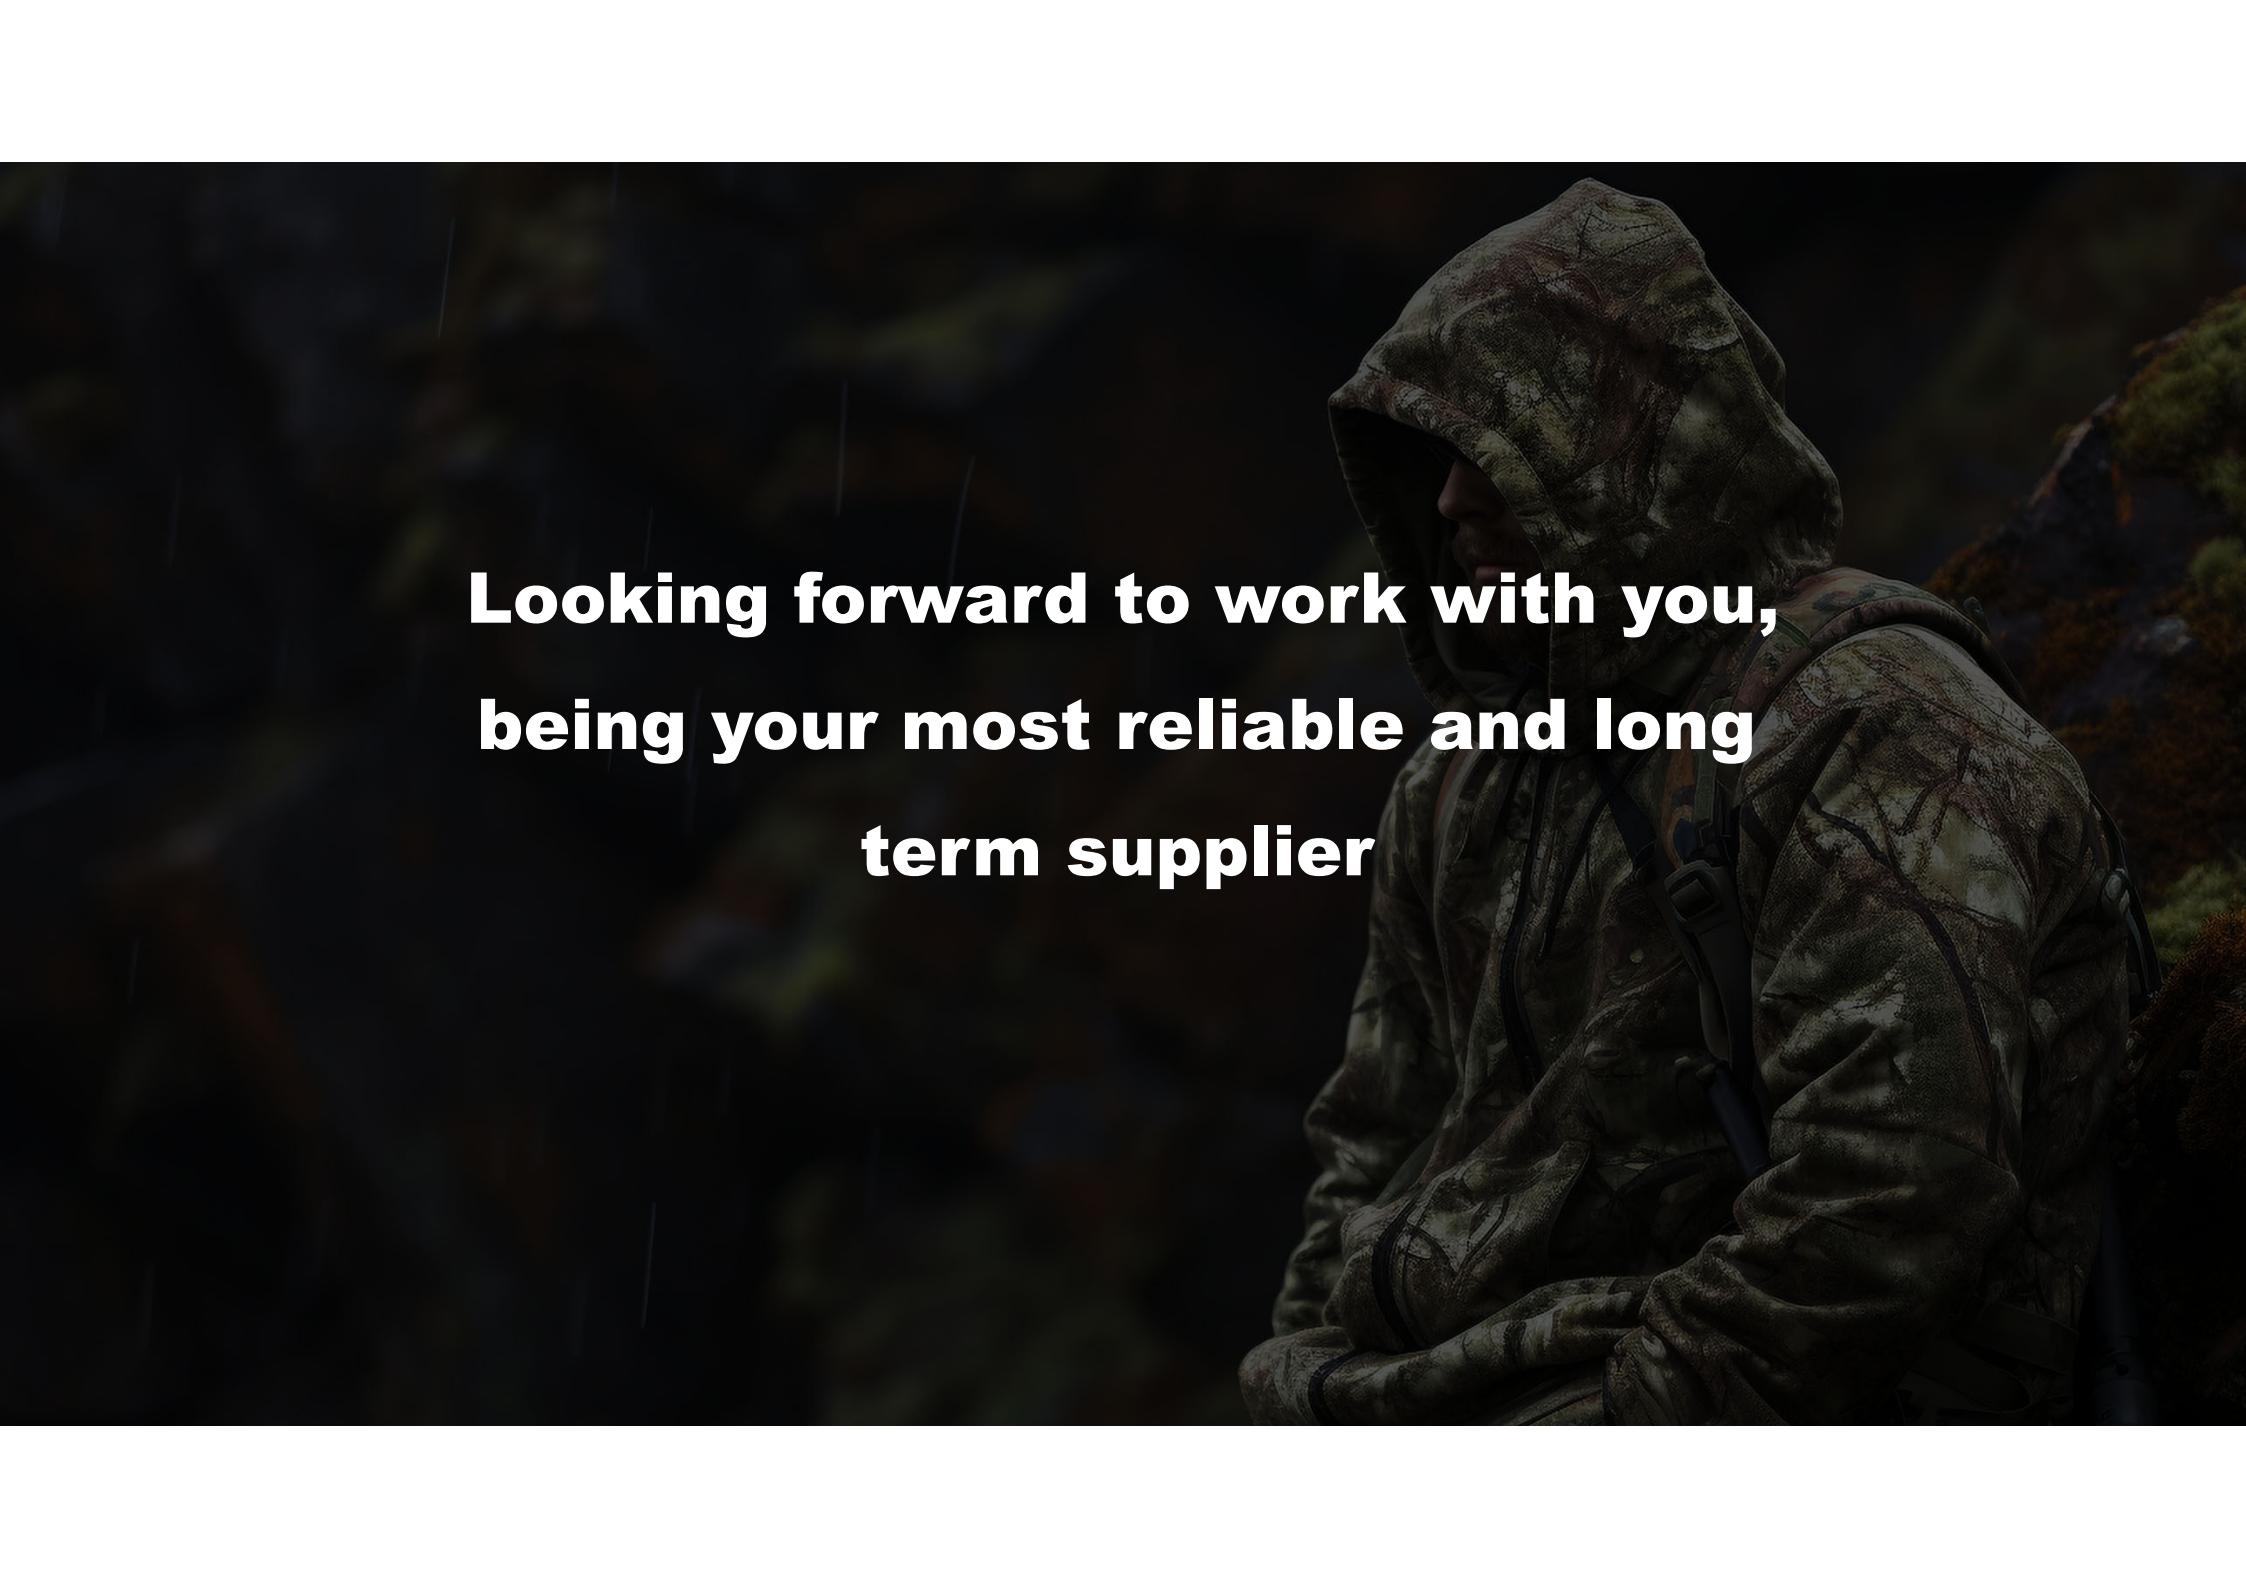

Build Your Product And Brand

ODM

- If you know the optical sight market and have a product idea, but there is a lack of products that meet your needs, we can tailor the product to perfectly match your needs.
- If you know nothing about the market, but want to broaden your product line and also want to have unique features, we also have a wealth of experience customizing these products and helping you to market quickly.

A person wearing camouflage clothing and a hooded jacket is sitting in a dark, wooded environment. They are looking off to the side, and the background is dark and out of focus.

**Looking forward to work with you,
being your most reliable and long
term supplier**
